

STEERING STRATEGIC INITIATIVES – HOSHIN KANRI METHODOLOGY –

Goals

This method bears a resemblance to the individual roadmaps of employees and their overarching goals.

How to Use It

- 1 Establish long-term goals (3 to 5 years)
- 2 Establish annual goals that are essential for attaining long-term aspirations.
- 3 Establish priorities to attain long-term objectives.
- 4 Establish metrics or KPIs that illustrate advancement toward annual Goals.
- 5 Delegate specific responsibilities
